18 EXPLANATION

19 The inclusion of this explanation does not constitute agreement with
20 the explanation's substance by the members of the general assembly.

21 This bill directs the department of natural resources
22 (department) to inventory the state and its political
23 subdivisions to determine whether any carcinogens are being
24 used. The bill provides a definition of the term "carcinogen".
25 The bill requires the department to produce and maintain a list
26 of alternatives to the use of carcinogens. The bill requires
27 the department to monitor and submit a report to the general
28 assembly by January 1 of each year regarding the plans of the
29 state or its political subdivisions to discontinue the use
30 of carcinogens included in the inventory conducted by the
31 department.
